

ETERNAL LIFE HOSPICE, INC.

AJCC WORK EXPERIENCE POSITION DESCRIPTION

Marketing, Design & Digital Media Coordinator

COMPENSATION: DEPENDENT ON SKILL SET & LEVEL OF EXPERIENCE

POSITION SUMMARY

The Marketing, Design & Digital Media Coordinator supports the growth and brand presence of Eternal Life Hospice by creating compelling visual content, managing digital and email marketing channels, operating CRM workflows, and leveraging AI tools — all while maintaining brand consistency across every platform. Guided by our mission: *Care That Honors Life*.

KEY RESPONSIBILITIES

- **Graphic Design** — Design print and digital materials (flyers, rack cards, social posts, email headers, presentations) consistent with ELH's brand palette and typography standards.
- **Social Media Management** — Plan, create, schedule, and monitor content across Instagram, Facebook, and LinkedIn; track engagement and adjust strategy accordingly.
- **Email Marketing Campaigns** — Build, schedule, and send email campaigns using platforms such as Brevo or Mailchimp; write subject lines and body copy, manage subscriber lists, and monitor open/click performance including deliverability and engagement analytics.
- **Database Management** — Maintain and organize contact databases; segment lists by referral type, geography, and engagement; ensure data integrity and perform routine hygiene to keep records current and accurate.
- **CRM Workflows & Management** — Set up and maintain CRM automations, contact lists, and outreach sequences; ensure referral partner and contact data stays accurate and up to date.
- **Website Updates** — Assist in updating eternallifehospice.com; add blog posts, refresh imagery, and ensure content stays current and compliant.
- **AI Tools & Workflows** — Apply working knowledge of AI platforms (ChatGPT, Claude, Adobe Firefly, Canva AI) to accelerate content creation, image generation, copy drafting, and campaign ideation — always with human review before publishing; stay current as tools evolve.
- **Canva & Adobe Suite** — Produce polished collateral using Canva and Adobe tools; maintain a consistent template library for recurring content types.
- **Brand Consistency** — Ensure all materials adhere to ELH visual standards, messaging guidelines, and healthcare compliance requirements.
- **Analytics & Reporting** — Pull metrics from social platforms, email campaigns, and Google Analytics; summarize performance for leadership in clear, visual reports.

QUALIFICATIONS

- High school diploma or GED required
- Demonstrated interest in design, marketing, or digital media
- Proficiency in Canva; Adobe experience a plus
- Familiarity with email marketing platforms (Brevo, Mailchimp, or similar)
- Experience with or strong interest in AI content tools (ChatGPT, Claude, Firefly)
- CRM experience or willingness to learn workflow automation
- Strong attention to detail and brand awareness
- Willingness to learn healthcare compliance and content guidelines

WORK ENVIRONMENT

Primarily office-based at Eternal Life Hospice headquarters in Westlake Village, CA with hybrid flexibility as skills develop. Supports a Medicare-certified, ACHC-accredited hospice serving Ventura and Los Angeles County.
