

QUICK REFERRAL GUIDE

When Comfort Becomes the Priority, Hospice Makes It the Plan of Care.

- ✓ Repeated hospital stays or ER visits
- ✓ Weight loss or a decrease in appetite
- ✓ Recurrent infections
- ✓ Decline despite ongoing treatment
- ✓ Increased assistance with daily activities

THE ETERNAL DIFFERENCE

- ✦ Integrative holistic therapies provided based on clinical assessment
- ✦ Responsive care that stays ahead of changing conditions
- ✦ Whole-person care — medical, emotional, social & spiritual support working together to provide comfort at every level
