

ETERNAL LIFE HOSPICE, INC.

AJCC WORK EXPERIENCE POSITION DESCRIPTION

Administrative Support Coordinator

PAY RANGE: \$18.00 – \$23.00 / HOUR

POSITION SUMMARY

The Administrative Support Coordinator plays a vital role in the daily operations of Eternal Life Hospice, supporting clinical and leadership staff by maintaining organized records, coordinating schedules, and serving as a professional first point of contact for patients, families, and referring providers — all in alignment with our mission: *Care That Honors Life*.

KEY RESPONSIBILITIES

- **Office Administration** — Manage front-office functions including phones, correspondence, supply ordering, and daily workflow coordination.
- **Scheduling & Calendar Management** — Coordinate appointments, interdisciplinary team meetings, staff schedules, and patient visit calendars using digital tools.
- **Records Management** — Maintain accurate patient files, administrative documents, and compliance records in electronic and paper formats.
- **HIPAA Confidentiality** — Handle all patient and family information with strict adherence to HIPAA privacy and security standards.
- **Microsoft Office & Google Workspace** — Produce professional documents, spreadsheets, presentations, and reports; manage shared drives, calendars, and communications.
- **Customer Service** — Greet and assist patients, families, volunteers, and visitors with warmth; triage and route inquiries to appropriate staff.
- **Data Entry & Reporting** — Enter and maintain accurate data in internal systems; assist in preparing routine operational and compliance reports.
- **Learning & Development** — Engage in structured learning around healthcare administration, hospice operations, and regulatory requirements.

QUALIFICATIONS

- High school diploma or GED required
- Strong verbal and written communication skills
- Proficiency in Microsoft Office and/or Google Workspace
- Professional demeanor and reliable attendance
- Ability to handle sensitive information with discretion
- Willingness to learn and grow in a healthcare setting
