

ETERNAL LIFE HOSPICE, INC.

AJCC WORK EXPERIENCE POSITION DESCRIPTION

Community Outreach & Referral Relations Coordinator

PAY RANGE: \$20.00 – \$25.00 / HOUR

POSITION SUMMARY

The Community Outreach & Referral Relations Coordinator builds and nurtures relationships between Eternal Life Hospice and the healthcare professionals, facilities, and community organizations that serve patients who may benefit from hospice care — serving as a bridge between our clinical team and the providers who trust us with their most vulnerable patients.

KEY RESPONSIBILITIES

- **Referral Relationship Development** — Cultivate professional relationships with physicians, discharge planners, social workers, and case managers at hospitals, SNFs, ALFs, and medical groups throughout the service area.
- **Provider & Facility Visits** — Conduct regular in-person visits to hospitals, SNFs, ALFs, and physician offices to present ELH's clinical capabilities, compliance credentials, and referral process.
- **Community Events** — Plan and represent ELH at health fairs, professional networking events, grief support programs, and CEU events for healthcare professionals.
- **Public Presentations** — Deliver clear, confident presentations on hospice eligibility, the ELH admission process, and the Four Pillars of Care to professional and community audiences.
- **CRM Tracking** — Log all outreach activity, contacts, and follow-ups in the CRM; maintain accurate territory records and referral pipeline data for leadership reporting.
- **Territory Management** — Manage an assigned territory across Ventura and Los Angeles County; maintain consistent touch cadence with active referral partners.
- **Marketing Support** — Distribute approved ELH collateral during visits; coordinate with the marketing team on leave-behind materials and outreach campaigns.
- **Referral Coordination** — Serve as first point of contact for incoming referral inquiries; gather clinical information and hand off to the intake team promptly.

QUALIFICATIONS

- High school diploma or GED required
- Strong interpersonal and public speaking skills
- Reliable transportation and valid driver's license
- Proficiency in CRM tools or willingness to learn
- Professional demeanor in clinical settings
- Willingness to learn hospice eligibility and referral compliance

Compliance Note: All outreach is conducted within Anti-Kickback Statute and Stark Law boundaries. ELH representatives provide value through education and clinical quality — never inducements. Compliant referral training is provided.
